

# **REMINDER COMPLETE OFFICE CLOSURE**

**Monday July 17 and Tuesday July 18<sup>th</sup>**

Tsartlip health is transitioning to an “Electronic health chart system” and staff will be required to participate in 2 days of intense training.

The system will allow our health staff to improve health reporting and charting for all clients and store valuable health information in a more restricted environment.

Both offices will be closed since the network system and upgrades will be taking place.

*There will be another complete office closure during the Month of JULY for some infrastructure repairs that will affect the water. We will keep you posted once the contractor secures a date.*
