Community Information and Discussion Session

Thursday August 2, 2018
Band Office Meeting Room
6:30pm – 8:30pm

Cookies - Water - Door prize

Background:

In February the Federal government started to engage FN's across Canada with the goal of creating framework for section 35 of the constitution. The Fed's want this work done by this Fall so that it can be brought to their house for legislative change. British Columbia has created a list of recommendations to put forward to the federal government that we would like to present to community.

Please come and join us for a full update and conversation on the future of Indigenous Rights and Title in Canada.
