

TWO EYED SEEING NETWORK

Share your ideas and input on the **NEW** Future of Employment

CALLING ALL INDIGENOUS YOUTH! You are invited to join an Indigenous Youth Led Focus Group that will help to inform the development of future workforce development projects. Join us for one 2-hour Focus Group in your region to ensure your voice is heard as we all come together to create meaningful employment opportunities for Indigenous peoples.

Together, we will:

- Explore what career success means to youth today
- Co-create new pathways to meaningful employment
- Design and lead future pathways for career success in your local community

The Two Eyed Seeing Network project team seeks to engage Indigenous Communities, Workforce & Social Development Experts, Employers and Education & Training Service Providers to come together in support of Indigenous Youth.
